

Thank you for your interest in Amway. At the heart of the Amway, is the commitment to help people reach their potential. An important part of this is serving those in need.

Here at Amway World Headquarters, we focus on youth (0-25 yrs.) programs for the following priority areas.

Focus areas include:

- Nutrition
- Academic Achievement
- Greater Grand Rapids Critical Needs: Homelessness, hunger, employment

Frequently Asked Questions

Do I have to apply online? Yes. All applications must be submitted online, prior to November 1 of each year, to be reviewed. Mail, fax and email applications will not be processed.

What is the community grant application deadline? Amway Corporate Headquarters accepts applications for cash contributions from January 1 – November 1 of each year.

Should I use the online application for product endorsements, advertising and other marketing related requests?

No. Product endorsements, advertising and other marketing requests, including those that involve cause-marketing, should be directed to sponsorships@amway.com.

Whom do I contact for information about submitting an application? If your question is related to the status of an application, we will respond in writing with a review status within 60 days. For all other inquiries, send an email to contributions@amway.com.

How do I know if my request was received? Applicants will receive an email confirmation when a completed application is submitted.

Do you accept requests for in-kind product donations? Due to enforced restrictions set in place to protect the sales of Amway distributors, we are limited in providing in-kind product donations. Product requests are not accepted at this time.

Missionaries and Disaster Relief

Product donations for missionaries and disaster relief efforts are administered by International Aid and Giving Children Hope; these two organizations specialize in humanitarian services and emergency relief. While we contribute many of our products through these organizations, they each have their own application process and instructions to enforce the distribution of products to protect the sales of our distributors.
