Total approximate retail value per monthly winner US\$2,050.50 (CAD\$2,008.25).

Total approximate retail value of entire Sweepstakes US\$24,606.00 (CAD\$24,099.00).

Odds of winning depend on the number of eligible entries received. Prizes are non-refundable and non-redeemable. All other expenses not specified are the sole responsibility of the winners. All taxes are the sole responsibility of the winner. No substitution or transfer of prize is permitted, except Sponsor reserves the right in its sole discretion to substitute the prize with a prize of equal or greater value. All prizes will be awarded.

### C. Winner Selection:

Monthly Prize winners will be selected randomly by using a computer-generated application tool at the beginning of the following month throughout the promotion from among all eligible entries received during the Entry Period. Determination of winners will be the responsibility of Sponsor, whose decision will be final and binding in all matters related to this Sweepstakes.

Winners will be notified by e-mail or telephone. Prize winners must sign and return a standard declaration/affidavit form. If a winner cannot be notified within five (5) business days, does not meet eligibility, fails to return a declaration/affidavit within ten (10) business days, or does not comply with Sweepstakes rules, the prize will be forfeited and awarded to an alternate winner. In the event a prize winner is unable to redeem the prize due to reasons beyond their control no compensation or substitutions will be provided.

U.S. persons (including resident aliens) must complete a W-9 Request for Taxpayer Identification Number and Certification form prior to gift being awarded. This is a

requirement of the Internal Revenue Service for purposes of exempting Winner from backup withholding. Under certain conditions, 28% of amounts paid to Winner would be withheld and remitted to the IRS, absent the completion of this form. Winner will not be subject to backup withholding on payments received if the correct information is provided on Form W-9. If Winner is not a U.S. person, the appropriate Form W-8 needs to be completed prior to gift being awarded.

For Canadian winners: In order to be declared a winner, a time-limited skill-testing question must be answered without assistance of any kind. Any selected entrant who incorrectly answers the time-limited skill-testing question will be disqualified, and an alternate entrant chosen by random draw who must then correctly answer the question.

Sample skill-testing question is  $4 \times 10 \div 2 + 55 =$
